Visits to the MareNostrum Supercomputing Center

ARES/CISIS organized free guided tours to the MareNostrum Supercomputing Center. The tours to MareNostrum will leave every day at 13:00. As groups must at least consist of 10 persons, we kindly ask you to sign up at the registration desk. If less than 10 persons sign up, we unfortunately have to cancel the visit of the specific day due to the guided tours conditions of the MareNostrum Supercomputing Center.
